

**LEFT EYE**

**RIGHT EYE**

**USE ONLY AS INSTRUCTED BY YOUR EYE CARE SPECIALIST.**

- Hold the card 14 inches from your eyes (Wear your glasses if needed for reading)
- Cover one eye, look at the center dot with the uncovered eye. Note any visual distortion, then repeat the procedure with the other eye.
- If the lines look irregular (blurred, wavy, empty, crooked, empty, or discolored) promptly let your eye care specialist know
